

**Erratum**

Correction for text on page 15 of the  
2005 Synthesis Report  
regarding Department of Boating and Waterways  
aquatic plant control program

The second sentence on page 15 should read, “Some of the data collected during and after non-copper herbicide applications by the California Department of Boating and Waterways (DBW) has been published in reports, while other data need to be entered into electronic databases to be analyzed.”
